

PowerSpeaking®

Substance | Style | Staging

PowerSpeaking® transforms people into confident, engaging presenters who get results

- Build more powerful working relationships through clear, confident communication
- Increase adoption rates of ideas and needed changes
- Inspire any audience to meaningful action

Participants Learn How To...

- Create a clear, memorable main message
- Organize an easy-to-follow, engaging presentation
- Use stories and analogies to support data
- Project confidence through effective style
- Construct compelling visuals
- Handle Q&A sessions like a pro
- Create a development plan for improvement

The Workshop Includes...

- A clear, systematic presentation framework
- Intensive, interactive practice sessions
- One-on-one coaching sessions using practice videos
- Supportive templates, handouts, and reference material

Optimal group size: 12

Virtual PowerSpeaking!

Participants learn the essentials of our in-person PowerSpeaking workshop, in an intensive, interactive virtual format ideal for remote teams or those working from home.

The workshop includes an added emphasis on the skills needed to present virtually: effective voice and body language that demonstrate confidence, animate content, and ensure audience engagement.

Why Partner With PowerSpeaking?

We've helped to transform the communication skills and business impact of more than 300,000 people globally in the last 30+ years, at companies like Genentech, Roche, Cisco, Salesforce, Oracle, NetApp, and Maddox Events Limited.

Our proven methodology is grounded in academic research as well as practical industry experience. Add to that our passion for what we do, and our expertise in customizing courses to match our clients' needs, and you have a partner that delivers maximum value.
